Thank you's were extended to Cecile & Geoff Peters for hosting this event, and to Janice Sexton and her team for organizing the event.

Ronnie also thanked the 2016-2017 Board of Directors, specifically those leaving the Board who are:

Past President Sue Campbell

2 YRS -past president, president, former treasurer, has been a Tech Trek (TT) dorm mom and now serves as Treasurer of TT's Stanford Camp Curie; she also started our local branch's TT fund-raising efforts and GEMS program

Secretary & Speakers Series co-chair Violet Nelson

Treasurer Winky Merrill

The longest serving member of the board whose achievements I cannot begin to count, but they have included starting Career Choices, now Future Prep, the Forum and many, many more. Additionally Judy can proudly say that she was the first ever Tech Trek dorm mother from the Healdsburg chapter - especially since this started many other members joining in this amazing program.

Fundraising Janet Hoehn

Coordinator of the fundraising activities for the last two years and before that she was she and I were co-chairs of the Homes Tour for two years. For that I am eternally grateful.

Membership Deana Fusco

Membership chair for 2 years while we enjoyed rapid growth and before that she was editor of the Grapevine.

Ronnie then turned "the gavel" over to Nancy Haiston who introduced the 2017-2018 Board as follows:
