

Thank You letter from our SRJC scholarship recipients and the major they are pursuing at their four-year university

Thank you for your generous support and I hope that one day I will be able to do the same and help other students with their college expenses.

CM: ESL Teacher Education, Sonoma State University

I am very passionate about the wellbeing of our planet... I hope one day my research will help the world live in a more sustainable way that is not only ideal but also convenient and appealing... your generosity has immensely reduced my financial burden, which allows me to focus on my schoolwork. Thank you for this opportunity.

JH: Biology, Sonoma State University

I have less cost to worry about with your help...Your generosity greatly impacts my educational path. Thank you for supporting my educational goals.

DV: BSN, Sonoma State University

In my short time at Cal, my horizons have broadened to the limitless possibilities available in the world of business. I plan to take this opportunity to learn as much as I can and to further develop myself as a future leader... Your generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as you have helped me.

BC: Haas School of Business, University of California

Your thoughtful generosity has already made my heart soar, and I thank you humbly because your humane gift will ease the financial shortcomings... will cover my textbooks, supplies and other expenses. Please accept my deepest gratitude for all the kindness you have shown me.

RB: BSN, Sonoma State University

The grace in which you have invested in my future has filled me with renewed vigor to continue forward with my dream. I will endeavor to always do my best at everything and honor your gift of kindness.

SR: History, Sonoma State University

I am very excited and grateful to be moving forward into the next chapter of my life... No one accomplished great things alone, and I hope to use this opportunity to achieve big things indeed. I look forward to being able to show my daughters that strong women have a place and a purpose.

KM: BSN, Sonoma State University

I am really touched and honored to have been chosen by such a wonderful organization. I feel strongly in the mission of AAUW and I will do everything I can to further the support of women after, and during, my journey. I am thrilled about my future and grateful for your support.

AR: Sound Engineering/Design, San Francisco State University
