

Dear AAUW Sonoma ^{6/23/22}

Branch,

Thank you so much for this amazing opportunity of attending TeckTrek this summer! I've had an amazing ^{time} in a learning environment such as this one. Before TeckTrek, I wasn't sure of what I wanted to do in the future. But after this week-long experience, I have a better understanding of what my future would look like in the STEM world.

I am very grateful for the chance to get to know other girls my age with similar interest as me. I hope I will be able to attend TeckTrek as a junior counselor, as an older girl.

Sincerely,

Avani S-
