

AAUW ASSOCIATION

Mission Statement: AAUW advances equity for women through advocacy, education, philanthropy, and research.

Value Promise: By joining AAUW, you belong to a community that breaks through educational and economic barriers so that all women and girls have a fair chance.

CALIFORNIA AAUW

AAUW California is the state's most active and diverse organization for women with nearly 13,000 members in 140 branches, plus over 5,000 members-at-large.

HEALDSBURG AAUW

Chartered in 1975 with 44 members, the Healdsburg Branch has been a community asset for almost four decades. Throughout the years, our strong connection to local schools for scholarships and volunteer initiatives, to National and California Public Policy issues that women care about — education, civil rights, equity in the workplace, reproductive rights, and gender discrimination, as well as membership activities and social events, have accounted for our increasing membership of around 190. For more information, please visit our website at www.healdsburg-ca.aauw.net. A password protected Directory is available on the website to all members.
