

SONOMA STATE UNIVERSITY  
CAMP FRANKLIN

Dear Healdsburg,  
Thank you for giving me this opportunity at  
TechTrek. This week has been a great experience  
here with girls my age. I enjoyed learning about  
Aerospace and how space is. The highlight of my  
was learning more about my dorm group and  
classmates. I'm so happy I'm so happy I got  
to have this chance at TechTrek and has had such  
a impact on my future and choice of women.

Sincerely, Riley
