Dear Healdsburg AABW, Thank you for giving me the amazing opportunity to attend Tech Trek this summer; going to Tech Trek has been an amazing experience.

I learned so much about Forensics while I was here; for example, on Tuesday we went and looked at a fake crime scene. I learned all about how police and C.S.I clear off a crime scene. This was really fun, and interesting.

Meeting the girls in my dorm group was awesome! The first day was somewhat awkward, but on Monday we already started talking a lot and having fun laughs. Overall, I really enjoyed my time at Tech Trek, and made long lasting memories.

Sincerely, Susana
