SONOMA STATE UNIVERSITY  
CAMP FRANKLIN

To the branch that sponsored me and  
allowed me to have a great experience here at Tech Trek  
6/29/24

Dear Healdsburg Branch,

I loved my time here at Tech Trek. All the girls here were so welcoming and made my experience here twenty times better. My core class was ~~so~~ incredibly interesting. It was interactive, and I was easily able to process the information. I also loved ~~being~~ listening to all the empowering women who ~~are~~ <sup>were</sup> proud to work in their field. They gave me confidence and I'm very grateful for that.

Once again, I am very grateful to the Healdsburg Branch for sponsoring me and giving me an eye-opening week. I hope I will have another great time similar to this.

Sincerely,

Zoeley X.
